In the matter of Trademark Application Serial No. 86/870,990
Filed on January 11, 2016
For the mark "ISLAND GIRL"
Published: June 14, 2016

MNS, LTD. dba ABC STORES

Opposer,

V.

NIKKI TANS,

Applicant.

Opposition No.:

NOTICE OF OPPOSITION

Opposer MNS, LTD. doing business as ABC Stores, a Hawaii corporation (“**Opposer**”), having a mailing address at 766 Pohukaina Street, Honolulu, Hawaii 96813, believes it will be damaged by registration of the mark "ISLAND GIRL" shown in U.S. Trademark Application Serial No. 86/870,990 for “Travel kits comprised of clothing, namely, swimwear, hats, shirts, pants, shorts, cover-ups, and ponchos, jewelry, fragrances, lotions, and cosmetics sold as a unit and geared towards a particular locale” in International Class 25 (the "**Application**"), filed by NIKKI TANS ("**Applicant**"), whose mailing address is 291 Springfield Avenue, Berkeley Heights, New Jersey 07922, and hereby respectfully submits the following for its opposition to the Application:

1. Opposer and its predecessors have widely and publicly used the mark “ISLAND GIRL” in connection with clothing and cosmetics since at least as early as January 1985 and October 2001, respectively.

2. Opposer and its predecessors have developed valuable trademark rights in connection with the “ISLAND GIRL” mark.

3. Opposer and its predecessors have used, and Opposer holds federal trademark registrations for, “ISLAND GIRL” (“**Opposer’s Registered Mark**”), in connection with clothing and cosmetics, including the following:

(a) U.S. Trademark Registration No. 4,690,227 for “ISLAND GIRL” for “clothing, namely, swimwear, pants, shorts, skirts and shirts for women and girls” in International Class 25, filed on May 14, 2003, and issued on February 24, 2015 (assigned by the original applicant, The Certified Group, LLC, to Opposer by assignment dated September 30, 2014, recorded at Reel 5375, Frame 0125); and

(b) U.S. Trademark Registration No. 2,835,888 for “ISLAND GIRL” presently covering “Cosmetics, namely, lip gloss, nail polish, oil control treatments” in International Class 3, filed on May 9, 2002, and issued on April 27, 2004 (assigned by the original registrant, Island Girl Cosmetics, Inc., to Opposer by assignment dated June 21, 2010, recorded at Reel 4260, Frame 0805).

4. Opposer’s Registration Numbers 4,690,227 and 2,835,888 are collectively referred to herein as “**Opposer’s Registrations.**” The goods described in Opposer’s Registrations are collectively referred to herein as “**Opposer’s Goods.**”

5. Opposer’s U.S. Trademark Registration No. 2,835,888 for “ISLAND GIRL” is incontestable, and it therefore constitutes “conclusive evidence of the validity of the

registered mark and of the registration of the mark, of the registrant's ownership of the mark, and of the registrant's exclusive right to use the registered mark in commerce." 15 U.S.C. § 1115(b).

6. On January 11, 2016, Applicant filed with the U.S. Patent and Trademark Office the Application to register the mark "ISLAND GIRL" ("**Applicant's Mark**").

7. The Application seeks registration of Applicant's Mark for "Travel kits comprised of clothing, namely, swimwear, hats, shirts, pants, shorts, cover-ups, and ponchos, jewelry, fragrances, lotions, and cosmetics sold as a unit and geared towards a particular locale" in International Class 25 (collectively, "**Applicant's Goods**").

8. The Application alleges a date of first use of Applicant's Mark of May 18, 2013, and a date of first use in commerce of June 15, 2015.

9. The Application is not restricted as to trade channels or purchasers.

10. Like the Application, Opposer's Registrations are not restricted as to channels of trade or purchasers, and thus, the goods identified in the Application and Opposer's Registrations are presumed to travel in the same channels of trade to the same class of purchasers. *See, e.g., Hewlett-Packard Co. v. Packard Press Inc.*, 281 F.3d 1261, 1268 (Fed. Cir. 2002).

11. The goods in both the Application and Opposer's Registrations are presumed to travel in all normal channels of trade for such goods, including but not limited to, retail stores and on the Internet, and are available to all classes of purchasers.

12. There is no issue as to priority of use. Opposer's Registrations issued from applications that were filed in May 2002 and May 2003, which predate Applicant's dates of first use of Applicant's Mark by many years.

13. Opposer and its predecessors have also continuously used Opposer's Registered Mark in connection with clothing and cosmetics since at least as early as January 1985 and October 2001, respectively, which is well before Applicant's dates of first use of Applicant's Mark stated in the Application.

14. Applicant's Mark and Opposer's Registered Mark are both for "ISLAND GIRL" in standard characters.

15. Applicant's Mark is identical to Opposer's Registered Mark in sight, sound, meaning.

16. Applicant's Mark is confusingly similar to Opposer's Registered Mark.

17. Opposer's Registered Mark in connection with "clothing, namely, swimwear, pants, shorts, skirts and shirts for women and girls" and "Cosmetics, namely, lip gloss, nail polish, oil control treatments" has the same overall commercial impression as Applicant's Mark for "Travel kits comprised of clothing, namely, swimwear, hats, shirts, pants, shorts, cover-ups, and ponchos, jewelry, fragrances, lotions, and cosmetics sold as a unit and geared towards a particular locale."

18. When evaluating a likelihood of confusion for trademarks, the issue is not whether purchasers are likely to confuse Applicant's and Opposer's goods, but whether there is a likelihood of confusion as to the source of the goods because of the marks used. *See, e.g., Chemetron Corp. v. Self-Organizing Sys., Inc.*, 166 U.S.P.Q. 495 (T.T.A.B 1970).

19. The similarity or dissimilarity of the marks in their entireties is a predominant inquiry in determining likelihood of confusion. *See, e.g., Hewlett-Packard Co. v. Packard Press Inc.*, 281 F.3d 1261, 1265 (Fed. Cir. 2002).

20. The greater the degree of similarity between the marks, the lesser the degree of similarity between the goods is necessary to support a finding of likelihood of confusion. *See, e.g., Time Warner Entm't Co. v. Jones*, 65 U.S.P.Q.2d 1650 (T.T.A.B. 2002).

21. Because Applicant's Mark is identical to Opposer's Registered Mark, the degree of relatedness between Applicant's Goods and Opposer's Goods necessary to establish a likelihood of confusion under section 2(d) of the Trademark Act is low.

22. Where the marks are the same or "extremely similar," it is only necessary that there be a viable relationship between the goods in question in order to support a holding of likelihood of confusion. *E.I. Du Pont De Nemours & Co. v. Sunlyra Int'l Inc.*, 35 U.S.P.Q.2D 1787 (T.T.A.B. 1995) (citing *In re Concordia Int'l Forwarding Corp.*, 222 USPQ 355, 356 (TTAB 1983)).

23. A determination on the relatedness of the parties' goods is based solely on the goods as they are identified in the Application and Opposer's Registrations, and not on extrinsic evidence. In making this determination, the description of the goods "must be construed most favorably to the opposing prior user." *Tuxedo Monopoly, Inc. v. General Mills Fun Group, Inc.*, 648 F.2d 1335, 1337 (C.C.P.A. 1981),

24. Applicant's Goods are identical and/or related to Opposer's Goods.

25. Applicant's "Travel kits comprised of clothing" contain the same specific items of goods as Opposer's Goods, which Opposer uses and has registrations for, including "swimwear," "shirts," "pants," "shorts," and "cosmetics."

26. "Kits" are not a separate and distinct good, but are merely classified according to their principal components so that the international class of the kit is the same as the international class of the majority of items in the kit. TMEP § 1401.05(a).

27. Applicant's "Travel kits comprised of clothing" primarily contain clothing, which is in International Class 25.

28. Applicant's "Travel kits comprised of clothing, namely, swimwear, hats, shirts, pants, shorts, cover-ups, and ponchos, jewelry, fragrances, lotions, and cosmetics sold as a unit and geared towards a particular locale" are related and/or identical to Opposer's "Clothing, namely, swimwear, pants, shorts, skirts and shirts for women and girls".

29. Applicant's "Travel kits comprised of clothing, namely, swimwear, hats, shirts, pants, shorts, cover-ups, and ponchos, jewelry, fragrances, lotions, and cosmetics sold as a unit and geared towards a particular locale" are related and/or identical to Opposer's "Cosmetics, namely, lip gloss, nail polish, oil control treatments".

30. Kits of goods, or kits for making goods, are related to the goods contained in the kits because it is commonplace for companies to market and sell kits and the goods in the kits to the same purchasers through the same channels of trade and under the same mark, as shown by:

- a. U.S. Trademark Registration No. 4,645,925 for "PATRICIA ANN" (Design plus words) for **"gardening tools"** and **"gardening kit comprising gardening tools, a tool pouch or tool organizer, and a gardening hat sold as a unit"** in International Class 8, and for hats in International Class 25, among other things;
- b. U.S. Trademark Registration No. 4,962,900 for "BALMAIN POWER" for **"travel kits comprised of garment bags for travel"** and **"travel bags"**, among other things, in International Class 18; and

- c. U.S. Trademark Registration No. 4,797,600 for “MANDUKA” for, *inter alia*, “yoga mats, **personal exercise mats**, . . . bags specially fitted for carrying yoga mats, . . . bolsters for use in the practice of yoga” and “**yoga kits comprised primarily of combinations of personal exercise mats, bags specifically fitted for carrying yoga mats, towels, blankets, bolsters, water bottles, blocks, or straps sold as a unit**” in International Class 28

(copies of which are attached hereto as **Exhibit “A”**).

31. The foregoing is also true of clothing in International Class 25 and cosmetics in International Class 3, as shown by:

- a. U.S. Trademark Registration No. 4,665,460 for “BUMP CREATIVE” for **clothing travelling kits comprised of bra straps and nipple covers** for concealing breast nipples under clothing and travel bags” **and** “underwear accessories, namely, bra inserts, bra cases, bra straps, nipple covers,” among other things, in International Class 25;
- b. U.S. Trademark Registration No. 4,593,678 for “FOOT PETALS” for “**kits comprised of shoe inserts** for primarily non-orthopedic purposes, namely, shoe insoles, ball of foot cushions, heel cushions, pads for shoe straps, and adhesive non-skid appliquéés for shoes” **and** “shoe inserts for primarily non-orthopedic purposes, namely, shoe cushions; heel pads; heel cushions; ball of foot cushions; arch cushions; insoles; heel inserts; inserts in the form of appliquéés to prevent shoes from slipping,” among other things, in International Class 25;

- c. U.S. Trademark Registration No. 4,070,608 for “FEELTRUE” for “**sandal making kits, comprised of shoe soles and laces** for making the sandals” and “Soles for footwear” and “sandals”, among other things, in International Class 25;
- d. U.S. Trademark Registration No. 4,315,507 for “HOTTYWOOD” for “**makeup kits** comprised of lipstick, lip gloss, eye liner and mascara” and “lipstick”, “lip gloss,” “eye liners”, “mascara,” among other things, in International Class 3;
- e. U.S. Trademark Registration No. 4,897,316 for “GOODMARK” (Design plus words) for “**cosmetic kits** comprised of make-up, primer, foundation, cosmetics for kids” and “cosmetics” and “lip glosses”, among other things, in International Class 3;
- f. U.S. Trademark Registration No. 4,662,001 for “ELOPE” for “clothing and accessories, namely, Halloween costumes, costumes for use in children’s dress-up play, costumes for use in role-playing games” and “costume kits comprising primarily hats, shirts, gloves, artificial hair and novelty glasses,” among other things, in International Class 25, and for “wigs; artificial hair” in International Class 26, and for “novelty toy items in the nature of toy eyeglasses, toy goggles, toy eye patches and toy jewelry” in International Class 28;
- g. U.S. Trademark Registration No. 4,468,566 for “CANALI” (Design plus words) for, *inter alia*, “perfumery goods, namely, shaving balms, shaving

cream, aftershave lotions, shower gel” and “travel kits, travel cases and boxes all sold filled with perfumery goods” in International Class 3;

- h. U.S. Trademark Registration No. 4,614,769 for “WEAR THE SHOES YOU LOVE” for, *inter alia*, “shoe inserts for primarily non-orthopedic purposes” and “kits comprised of shoe inserts for primarily non-orthopedic purposes” in International Class 25; and
- i. U.S. Trademark Registration No. 4,699,376 for “FUN WORLD” (Design plus words) for “theatrical and Halloween makeup,” including several types of makeup and theatrical items and “theatrical and Halloween makeup kits comprising [sic] of the aforementioned goods” in International Class 3

(copies of which are attached hereto as **Exhibit “B”**).

32. Clothing and cosmetics are related because they are often marketed and sold under the same mark, as shown by:

- a. U.S. Trademark Registration No. 4935195 for “ROBERTO COIN” for “Perfumes; fragrances; cosmetics; essential oils; face and body creams; soaps for body care” in International Class 3, and “Clothing, namely, dresses, evening dresses, leather dresses, shirts, blouses, skirts, pants, shorts, jackets, suits, shirts, T-shirts, sweatshirts, sweaters, pullovers, track suits, raincoats, overcoats, coats, fur clothing in the nature of hats and jackets, anoraks, parkas, belts, stoles, scarves, shawls, gloves, foulards, ties, pajamas, dressing gowns, socks, suspenders, underwear, undergarments, robes, swimsuits, cover-ups dresses, pants and shorts, robes; footwear, namely, slippers, shoes, sandals,

sneakers, sports shoes, boots, flip-flops, snow boots; hats and caps” in International Class 25;

- b. U.S. Trademark Registration No. 4745262 for “TOMMY HILFIGER” (Design plus words) for “Soaps; perfumery; colognes; toilet water; perfumes, fragrances for personal use; lotions for skin care; antiperspirants; deodorants for personal use” in International Class 3, and “Clothing for men, women and children and infants, namely, shirts, golf shirts, t-shirts, polo shirts, knit tops, woven tops, sweatshirts, tank tops, sweaters, blouses, jerseys, turtlenecks, shorts, sweatpants, warm-up suits, blazers, sport coats, trousers, jeans, skirts, dresses, suits, overalls, jumpers, vests, jackets, coats, raincoats, parkas, ponchos, swimwear, bikinis, swim trunks, overcoats, rainwear, wind resistant jackets, sleepwear, pajamas, bathrobes, underwear, lingerie, boxer shorts, belts made of leather, ties; headgear, namely, hats, wool hats, caps, visors, headbands, ear muffs; scarves, shawls, cloth bibs; footwear, gym shoes, sneakers, socks, hosiery, shoes, boots, beach shoes, sandals, slippers, gloves, suspenders; layettes” in International Class 25;
- c. U.S. Trademark Registration No. 4977637 for “MISS MAFIA” for “Artificial eyelashes; Eye make-up; Facial make-up; False eyelashes; Make-up” in International Class 3, and “Footwear for women; Gym pants; Gym shorts; Shoes for WOMEN; Women's clothing, namely, shirts, dresses, skirts, blouses” in International Class 25; and
- d. U.S. Trademark Registration No. 4978545 for “FANCY CHANCE” for “Lip gloss” in International Class 3, and “Girls' clothing, namely, t-shirts, skirts,

leggings, sweatshirts, pajamas, headbands, and shoes” in International Class 25;

- e. U.S. Trademark Registration No. 4,579,938 for “LOEL” for “**Make-up kits** comprised of eyeshadows, lipsticks, lip glosses, face powders, nail polishes, cream, applicator, brushes and glitter” **and** “Cosmetics and make-up,” among other things, in International Class 3 and various types of clothing and “travel clothing contained in a package comprising reversible jackets, pants, skirts, tops and a belt or scarf” in International Class 25;
- f. U.S. Trademark Registration No. 4,628,418 for “NETTIE ROSENSTEIN” for, *inter alia*, “cosmetics” and “cosmetic kits” in International Class 3 and clothing in International Class 25; and
- g. U.S. Trademark Registration Nos. 3,428,373, 3,428,816, and 4,432,774 all for “TORY BURCH” in standard characters for “coats; dresses; footwear; headwear; jackets; pants; shirts; shorts; skirts; sleepwear; sweaters; swim wear; tops; underwear” in International Class 25, for “jewelry” in International Class 14, and for “cosmetics” and “fragrances for personal use,” among other things in International Class 3, respectively

(copies of which are attached hereto as **Exhibit “C”**).

33. The Application’s statements that Applicant’s Goods are “sold as a unit” and “geared towards a particular locale,” do not restrict Applicant’s Goods to any particular channels of trade, class of purchasers, or locales.

34. Opposer's Goods are presumed to be sold through all normal channels of trade for such goods, including the same channels of trade through which Applicant sells Applicant's Goods.

35. On information and belief, Opposer's Goods travel through the same channels of trade through which Applicant sells Applicant's Goods.

36. Applicant sells Applicant's Goods over the Internet.

37. Opposer sells Opposer's Goods over the Internet, among other trade channels.

38. On information and belief, Applicant's Goods marketed and sold under Applicant's Mark are or will be offered to the same class of purchasers and users who purchase and use Opposer's Goods marketed and sold under Opposer's Registered Mark.

39. Applicant's Goods and Opposer's Goods are so related, and the circumstances surrounding their marketing are such, that they will likely give rise to the mistaken belief the respective goods emanate from the same source.

40. Purchasers are likely to be confused as to whether Applicant's "Travel kits comprised of clothing, namely, swimwear, hats, shirts, pants, shorts, cover-ups, and ponchos, jewelry, fragrances, lotions, and cosmetics sold as a unit and geared towards a particular locale" used in connection with Applicant's Mark contain and/or originate from the same source as Opposer's "Clothing, namely, swimwear, pants, shorts, skirts and shirts for women and girls" and "Cosmetics, namely, lip gloss, nail polish, oil control treatments" because the marks are identical and because of the related nature of the goods.

41. The use and registration of Applicant's Mark, as indicated above, would result in confusion, mistake, and/or deception as to the source or origin of Applicant's Goods,

leading consumers to believe that they are somehow affiliated with, or approved, sponsored, or licensed by Opposer.

42. A likelihood of confusion exists under Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d) between Applicant's Mark and Opposer's Registered Mark.

43. To the extent there is any doubt as to whether a likelihood of confusion exists, it must be resolved against Applicant and in favor of Opposer. *See, e.g., Time Warner Entm't Co. v. Jones*, 65 U.S.P.Q.2d 1650 (T.T.A.B. 2002).

44. If Applicant is permitted to use and register Applicant's Mark for Applicant's Goods, confusion in trade would result by reason of the similarity between Applicant's and Opposer's marks and the goods to be sold thereunder, resulting in irreparable damage and injury to Opposer. Any defect, objection, or fault found with goods marketed under Applicant's Mark, would reflect on, and injure, the reputation Opposer has established for Opposer's Goods sold under Opposer's Registered Mark.

45. If Applicant is granted a registration, Applicant would obtain a *prima facie* exclusive right to use Applicant's Mark. Such registration would become a source of damage and injury to Opposer through the generation of confusion, mistake, and/or deception, the dilution of Opposer's Registered Mark, and the diminution of Opposer's ability to control the quality of goods sold thereunder.

/

/

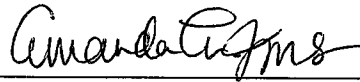

/

/

WHEREFORE, Opposer prays that this Opposition be sustained, that the Application be refused, and that Applicant's Mark be refused registration. The fee required in 37 C.F.R. § 2.6(a)(17) is being paid concurrently with the filing of this notice of opposition.
